AND KING AND QUEEN!!

Homecoming exceeds expectations! Homecoming is the *Highlight* of the football season. It is a time for the Alumni to come back and visit with old friends. As our school grows, bigger crowds show up for the games. This year the panthers played Glendale Union High School. The score was 41 to 0. The game was a shutout! A lot of people participated in the helping with the parade, the dance, locker decorations, and with setting up the football field. We the school as a whole would just like to say, "Thanks," for your cooperation and your support for making this possible.

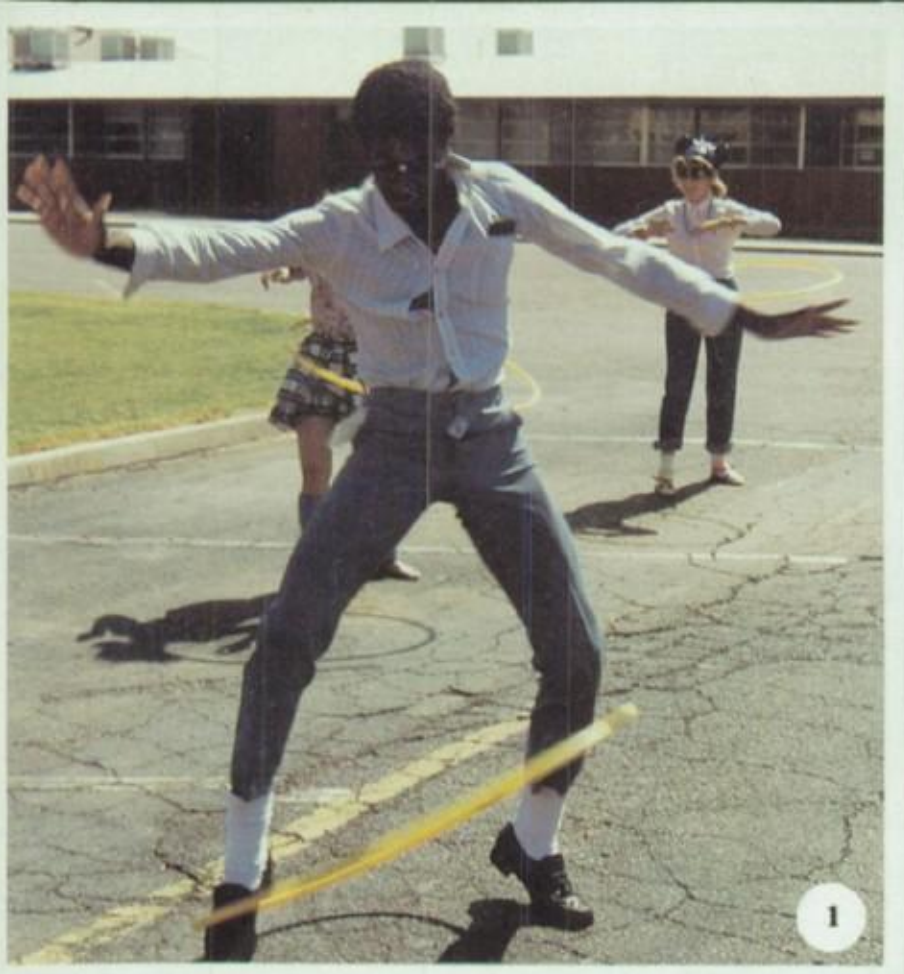

LUNCHTIME ACTIVITIES!

Over the Homecoming week there were many activities during the lunch hours. Apparently, the most involved — came in the activity of — NERD DAY! "On Revenge of the Nerds Day," all of the Nerds emerged out of their normal disguises! The second most involved activity was Toga Day. Peoria Tech. Academy of Beauty proudly presents Mike Coffey for winning the first place Beauty Award. Second place goes to Ben Butler for his Roman Shoes Award.

GIRLS' VARSITY BASKETBALL

The girl's varsity basketball team had a great season for 1984-1985 by winning 17 games and losing 5. It proved to be an exciting, fun-filled year, for the Panthers had its share of ups and downs for the conference race. However, they managed to hangtough when the going got rough.

The first round of State placed the Panthers against the number one seed for the North Conference (Coconino). The young ladies played one of the best intensified games of the year and came out victoriously by downing the Panthers of Coconino 53-42. The semi-finals of the State play-offs was played against Flowing Wells, and the 6'4" center of Flowing Wells proved to be too much for the Panthers, for the Cabs defeated the Panthers 38-47. Amy Connolly was named to the First Team All-State, and Teri Shaw was named to the Second Team All-State.

All in all, Coach Gollihare said, "It was a terrific season — one which will be remembered by the team for a long time. It was one that saw raw guts, determination, and sweat turned into a sweet love for the game of basketball." Coach Gollihare wishes the best for the team members in the future, and he knows the young ladies gained in skills and talents but also gained immeasurable qualities that will help them in life. As one of his old sayings goes, "They gained pride, cooperation, team work, discipline, sacrifice, and self-satisfaction in knowing they did their best in practice and game competition."

BOYS' VARSITY BASKETBALL

The 1984-1985 basketball season was successful for the boys' varsity basketball team. We ended up with a record of 13-9 and 5-3 in the conference. Over the year, we played five teams in AA ranked in the top five. We also played the first ranked team in A-Buckeye.

Our team was known for its hard work and good defense. The Panthers were led by Senior — Curtis Moss (6'2") — 10 pts. per game — 9 rebounds per game; Junior — Marlo Cobos (5'8") — 9 pts. per game — 7 assists per game; Junior — Louis Armenta (5'8") — 8 pts. per game; Senior — Lupe Munoz (6'0") — 8 pts. per game — 5 rebounds per game.

It will be very tough moving up to AAA next year, but our freshman and sophomore groups are solid and combined with our fine juniors, we will be competitive.

UPDATE

PEORIA WRESTLING 1984-85

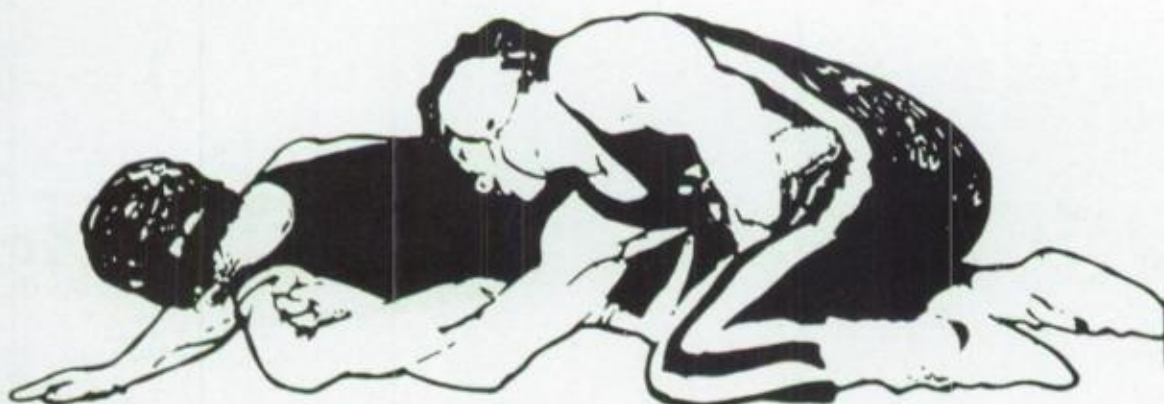

The Peoria Wrestling team started out slow in dual meets, due to some inexperience and an extended football season. They recovered quickly and by the second week of the season were able to win the Lake Havasu Dual Meet Tournament and followed that up the following weekend by winning the 16 team Buckeye Invitational.

After Christmas, Peoria beat Apollo in a dual meet in preparation for their third place finish in their own tough 32 teams Peoria Invitational. The following weekend they finished second at the Dysart Invitational as they began their preparation for Divisionals and State.

While finishing second at divisionals by a point and a half, the Panthers still dominated the wrestling in the finals as they overcame a 28 point disadvantage. All 13 Panthers qualified for State and were led by Divisional Champions: Ivan Alcantar (100), Ernie Molina (107), Mike Biddle (114), Don Perdue (147), Paul Kovalski (157), and Kevin Fisk at (169).

The following week at State, the Panthers did their job but unfortunately the rest of the State didn't do theirs as the Panthers finished second. Six Panthers placed for Peoria and three took the crowns of State Champions. Placing for the Panthers were: Mike Lindsey (193) fourth, Rick Florez (121) third, and Paul Kovalski (157) second. State Champions were: Senior — Don Perdue at 147, Junior — Ivan Alcantar at 100, and Sophomore — Two Time State Champion — Ernie Molina at 107.

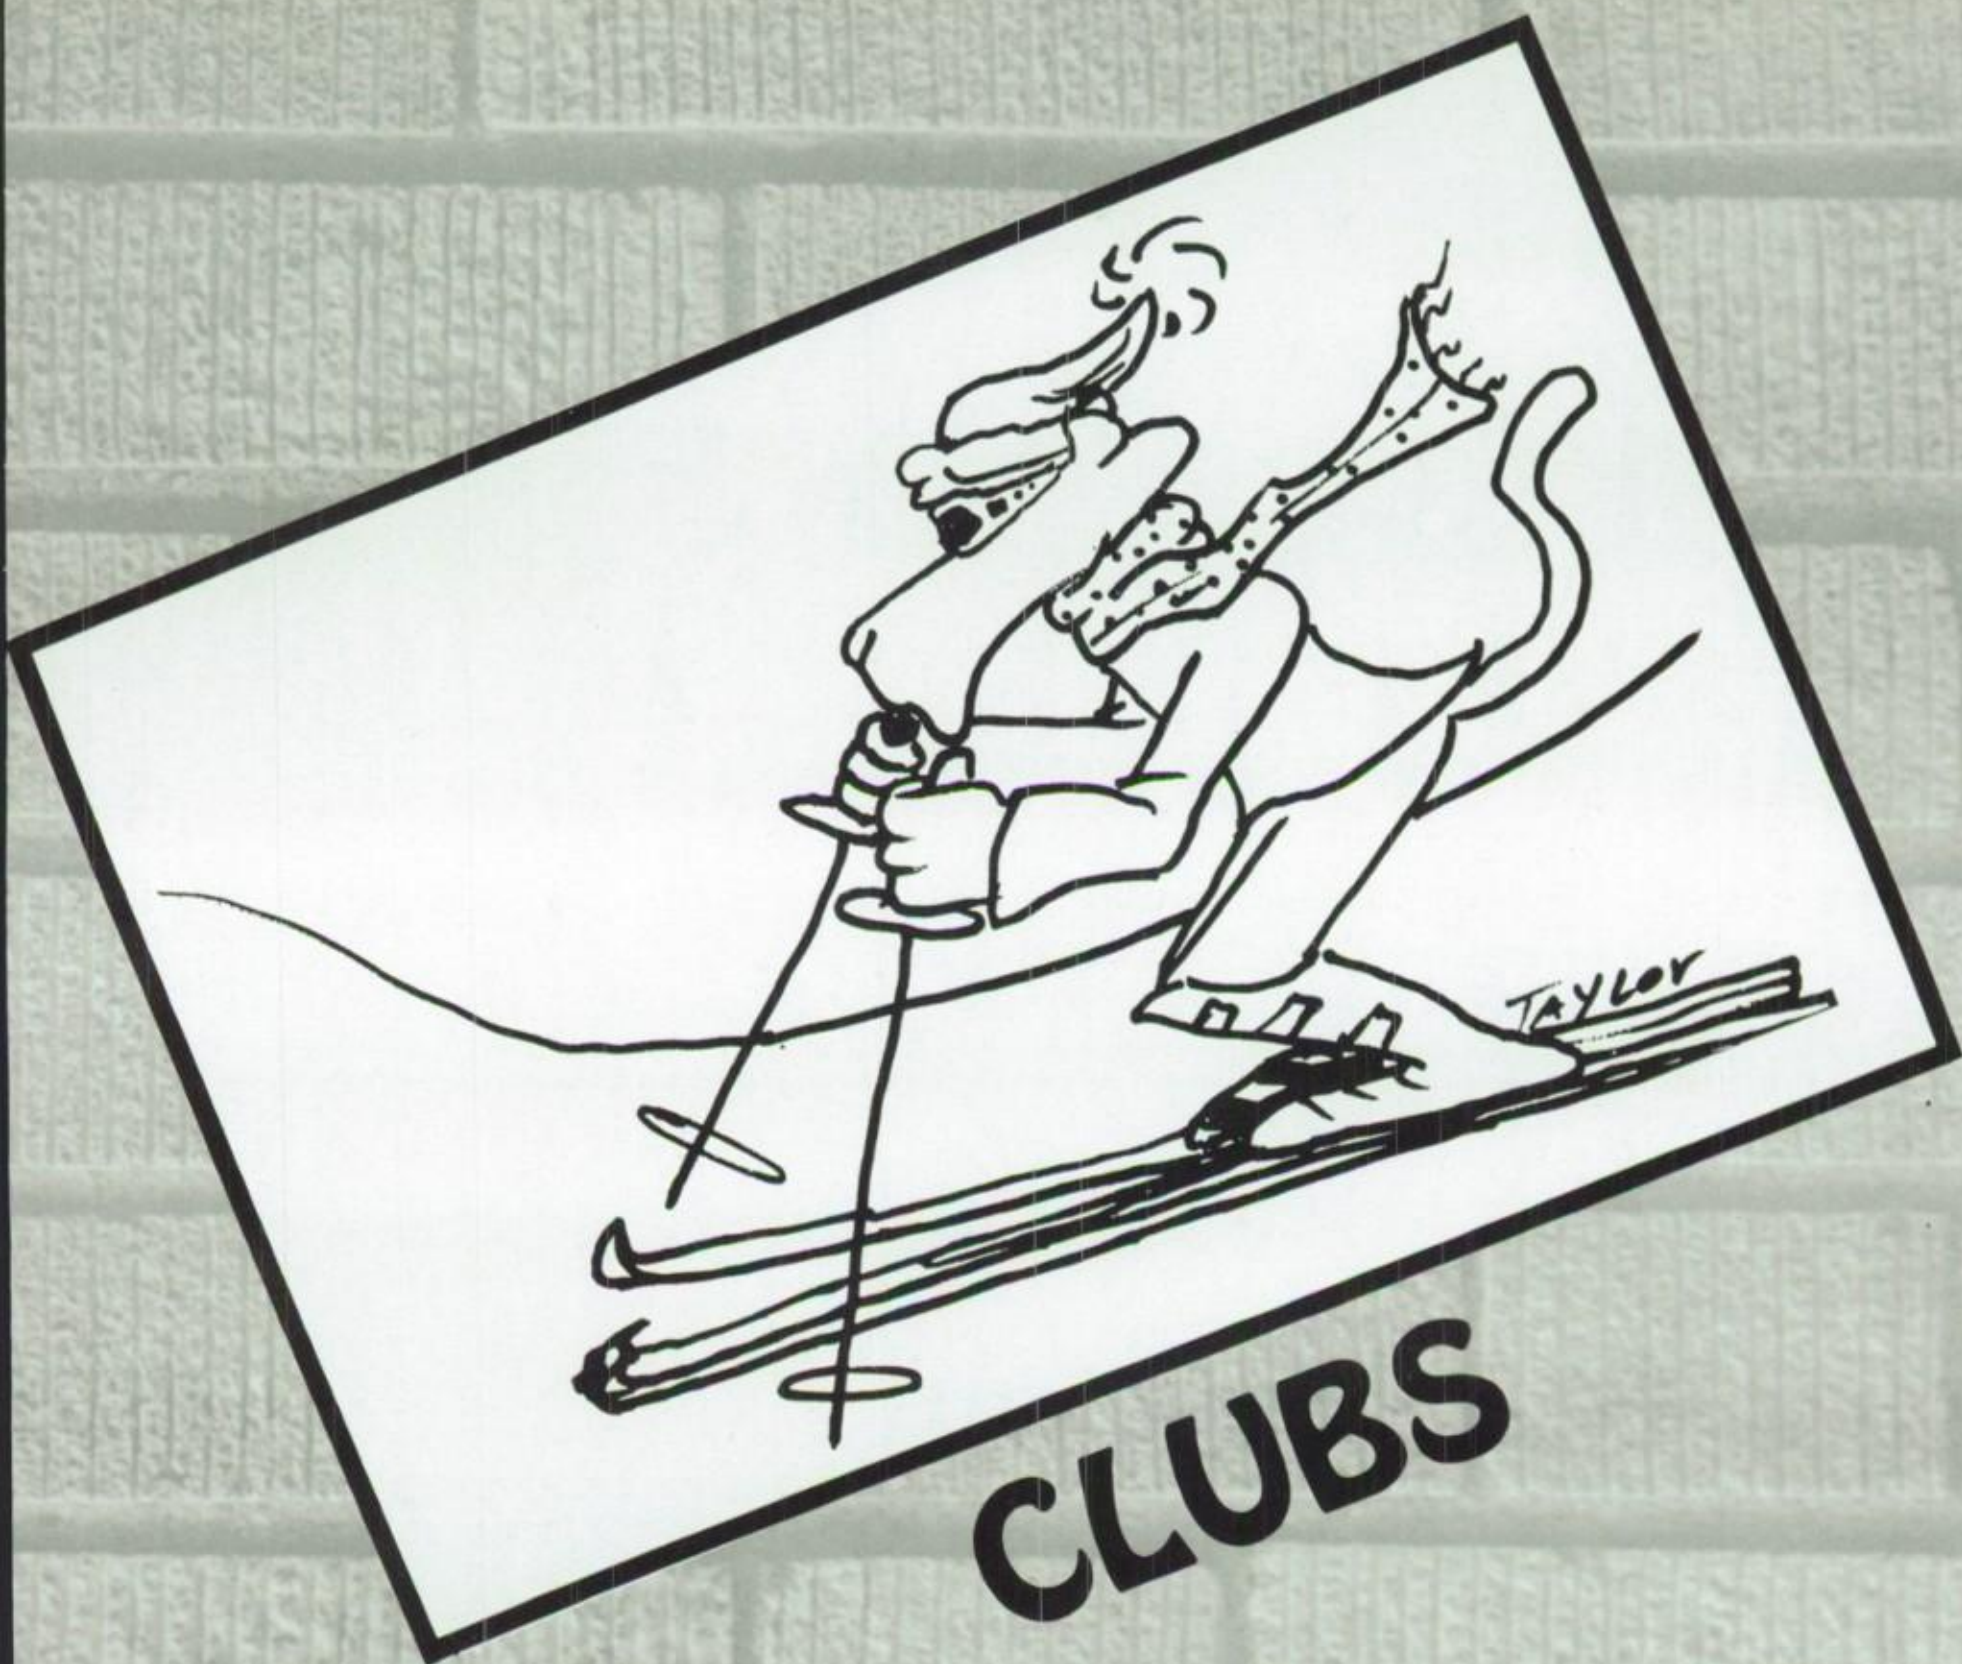

The Panthers had a great season with two tough State Champions. Next year, the Panthers will again be the "Pride of Peoria."

The schools moving up to AAA are:

4. Our football team always was #1 as a Peoria star shows.
5. The past may seem eerie but Peoria was always the best!
6. In 1944, the students show their artwork in room 301.
7. The P.H.S. cheer led, with the Peoria fans, into victory!

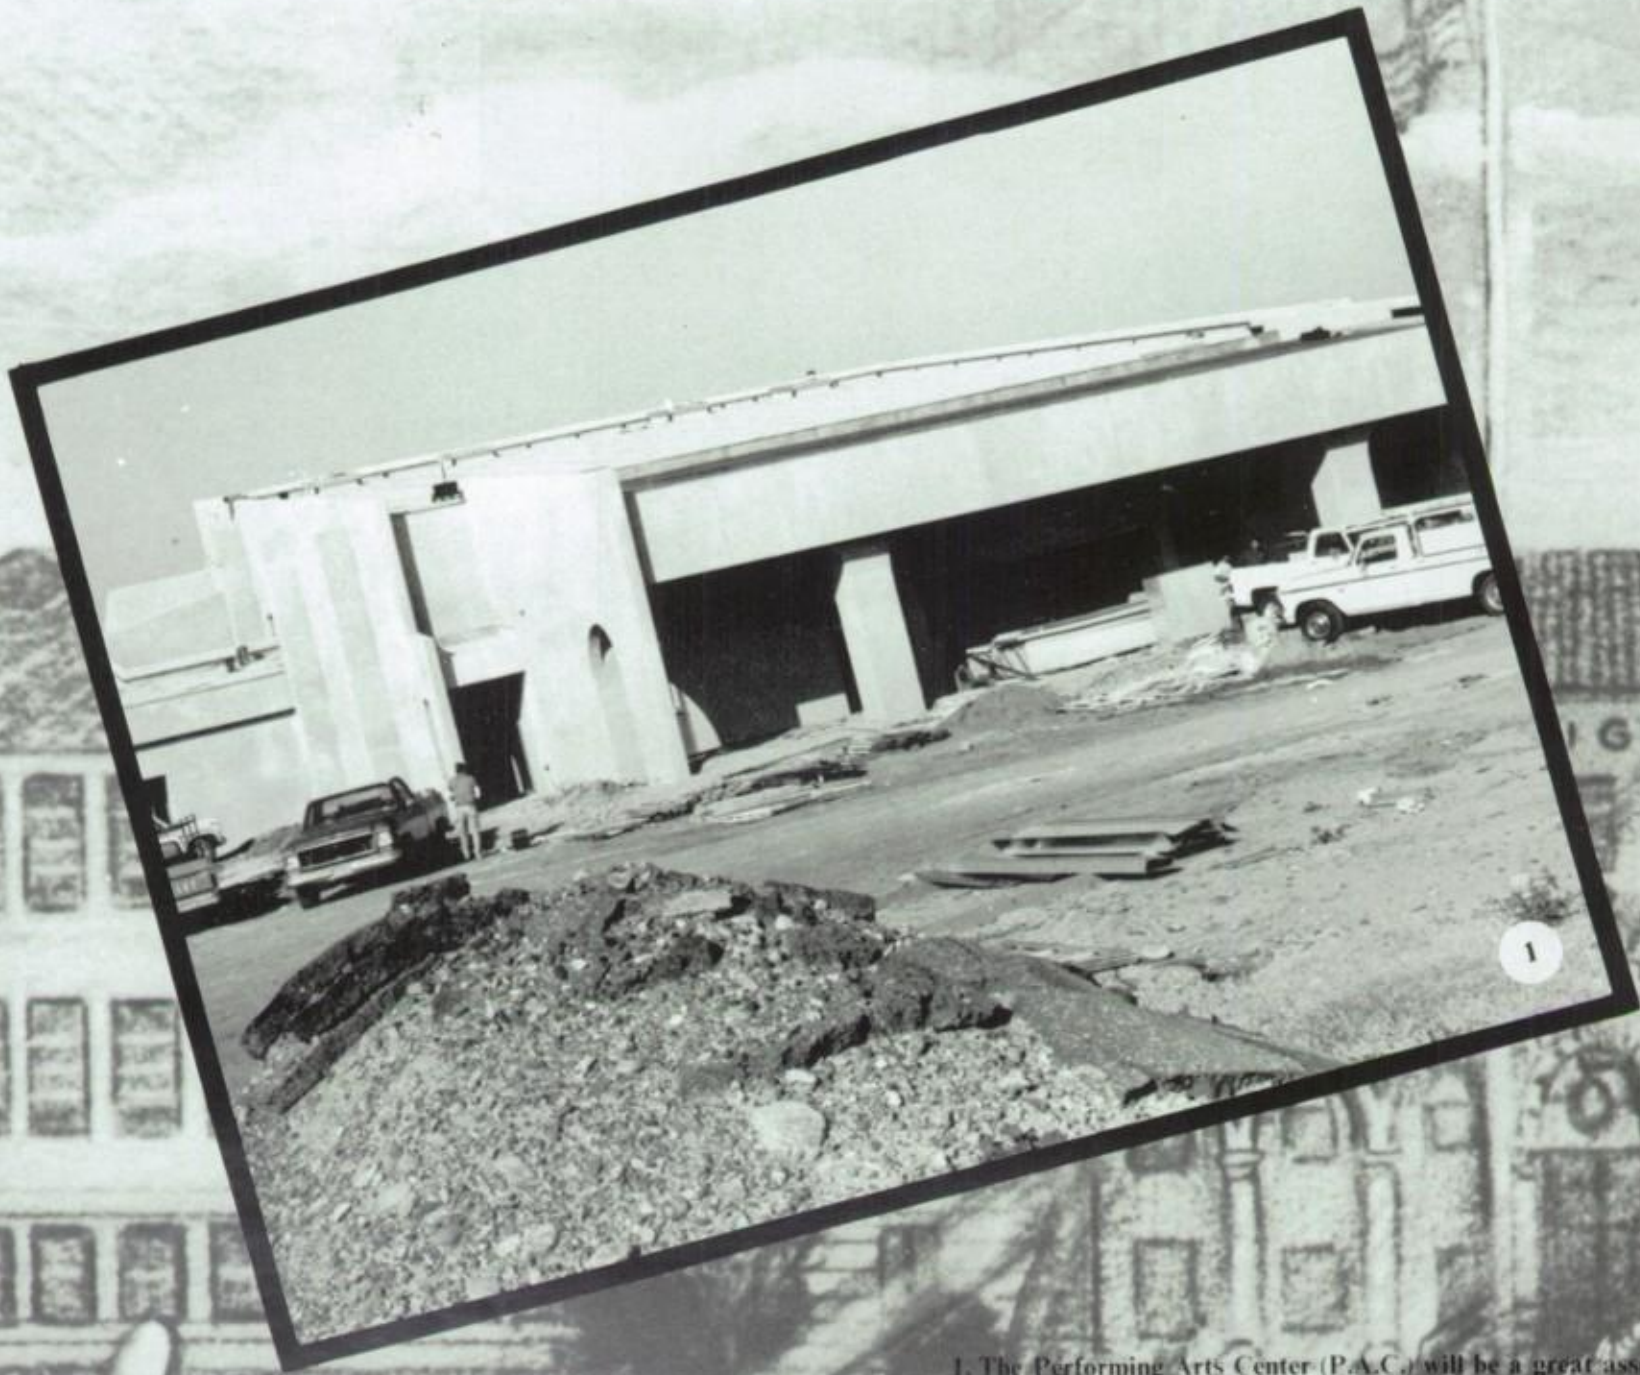

IS STILL THE ONE . . .

1. Parents & Visitors are always welcome to visit our schools.
2. Peoria High School is Still The One!!!
3. Over the years, Peoria High School still continues to grow.
4. Peoria High School offers Open House for the community once a year!
5. The beauty of the main building lives on!
6. Old Elementary school buildings have been modernized and given to the English Department.

EVEN AFTER 51 YEARS!!!

1. The Performing Arts Center (P.A.C.) will be a great asset to Peoria High School. Nehylbel, a famous composer, wrote a piece of music for our Varsity Band for the Dedication ceremony. The P.A.C. is a huge building with many rooms. It has an auditorium for performances, which seats 550 people, it has computerized lighting and an orchestra pit. It also has a band room, choir room, theater room and a scenery shop. There are also offices for the Performing Arts staff as well as dressing rooms.
2. In the past, this building was used by Peoria Elementary School. During the last school year, it was used for the offices of the district and it will soon be a District Office Annex.

When Mr. Mathis, the principal of Peoria High School, was asked what our future holds, he replied that "it was fantastic and unlimited." He estimated a growth in Peoria's population in the next few years, until the new High School, Ironwood, is completed. He said that "If we have imagination, great things will happen. Peoria's future is bright and the opportunities are there for our advantage!"

Col. Maertens was also asked for his opinion about Peoria's future. He personally felt that there is a need for expansion in Vocational education. There should also be more technical classes for those students who are not planning to attend college.

In short, Peoria has become bigger and better as the years go by and it will continue to do so. Why? Because PEORIA HIGH SCHOOL IS #1!!!

This is it, the end of the book! I'd like to thank this year's staff, I couldn't have done it without them. Especially you Mr. Hildreth. I learned that it's okay to make mistakes (as long as you correct them the next time). Oh yeah, thanks for all the "organization lectures" I'm sure that someday they'll pay off.

I know that by closing this book I'm opening the cover of a new one, one that without a doubt will carry on the Peoria High School tradition of being number one. So, to next year's staff I wish the best of luck.

Last year, "We Were One,"

This year, "We're Still the One."

I hope you enjoy,

Love,
